

*"Having a Tribute Fund in the name of my wife, with the Quest for Life Foundation, allows me to remember her and recognise the contribution she made to the world. Our friends and family donate annually on special occasions, knowing that Sue would have wanted us to make a difference to others."*

## Honouring the Human Spirit

Your contribution makes a  
difference through giving a  
donation in lieu of flowers.

*"We chose to make this request for a donation to Quest because of the wonderful experience we both had there. I know that none of us would have coped as well as we did had Richard and I not been to Quest. This is why we wanted to invite our friends and family to donate to Quest for Life - so that others in our situation may have the help and support of that wonderful place."*

Catherine

*(Flowers for Life, in memory of Richard)*

## The Quest for Life Foundation

There are many events in life that stop us in our tracks and cause us to consider how best to meet the challenge we face: an unexpected diagnosis, an accident, loss or tragedy can be such an impetus.

Established in 1990 by Petrea King, the Quest for Life Foundation is a registered charity providing a range of residential programs and services that encourage, empower and educate people living with cancer, neurological and other serious illnesses, or who are suffering from grief, stress or trauma and their carers.

While research is an essential element in dealing with life threatening illness, the need for services to support people in living well with this challenge is just as vital. The Quest for Life Foundation provides this support. Participants leave our programs with a renewed sense of control and an ability to live their lives fully.

This gift of life is only possible with your support.

*"Please keep providing subsidies for these courses. It is so, so important. The pain and suffering I heard and the healing I saw and felt taking place was just incredible. People like myself, with little money, are often desperate and the most in need of what this course provides."*

Lyn

## Flowers for Life

Making a donation to the Quest for Life Foundation in lieu of flowers ensures that the memory of a loved one lives on to help others. It is a meaningful tribute and a way to offer compassionate support for people living with life's greatest challenges including cancer, other life threatening illness, grief, loss and trauma.

Following receipt of donations we send a letter to the family of the person notifying them of the total contribution made in their loved one's memory. For privacy reasons, we do not disclose the amount of each donation. We also send the donor a letter of thanks and a tax deductible receipt (for all donations over \$2).

Gifts are encouraged in funeral notices or obituary listings in the following way: In lieu of flowers, the family requests donations be made to the Quest for Life Foundation, PO Box 390, Bundanoon NSW 2578 or at [www.questforlife.com.au](http://www.questforlife.com.au)

These generous contributions enable the Quest for Life Foundation to provide programs to those most in need, living with life's greatest challenges.

## Tribute Fund

When a loved one passes, the people in their life often look for an ongoing way to remember and honour that person. A tribute fund is a special fund that the Quest for Life Foundation sets up in the name of the person you would like to pay tribute to, for example the *Jane Smith Quest for Life Tribute Fund*. We can then support you, your friends and family, to honour the life of your friend or loved one, to keep their memory alive and to help support the work of the Quest for Life Foundation.

Family, friends and colleagues can support the Fund in any way that feels right for them. Some people make monthly gifts or make donations on special occasions or significant dates like a birthday, Christmas or anniversary. Other people hold a regular fundraising event in memory of their loved one.

In establishing this fund (which can be started through Flowers for Life donations), we support the family in keeping the Fund active and provide a meaningful way in which people can celebrate the life of their loved one and make a lasting contribution.

If you are interested in establishing a Tribute Fund, please contact the Tribute Fund Manager on 02 4883 6599 or email [info@questforlife.com.au](mailto:info@questforlife.com.au)
